Participation

- *Players can sign up and play in the league anytime. You don't have to start on the first week.*
- *Weekly participation is not required. This league is designed to accommodate busy schedules.*
- *Bring your friends! Wednesday Night League is a social evening – we'll play rain or shine every week!*

Start Time

- League Rounds can be played anytime on Wednesdays. The league is designed to invite players out for golf in the evening, however a group wishing to play earlier in the day is welcome to. Simply make your tee time with the pro shop and pay the league fees. Return your signed scorecard to the pro shop after the round and we'll get it posted. Side games will be available for players checking in after 4pm.

Player Requirements

- All competitors (players competing in the competition) must play by the rules of golf and any local rules posted by the pro shop.
- Players competing in league **must play with at least one other competitor** who is also in the league.
- Incomplete groups (less than 4) are asked to assist the pro shop and invite other singles in the league to join them.
- Tees: White or Red – confirm with Pro Shop.
- Completed scorecards should include First & last names of players & be signed by competitors in the group.
- Competitors are responsible for signing up and making tee times with the pro shop. Greens fees & league fees are required each week and are to be paid at the pro shop when checking in.

Competition

- League competition is individual points. The competitor will accumulate points based on the score made on each hole. For example: If Keagan makes a net par on hole #1, he'll earn 2pts. If he makes double bogey or worse, he'll score 0. This format allows the competitor to quit on a hole (make an x) and not be disqualified from the competition.
- All scoring calculations, handicapping, rules enforcement, awards, etc. will be conducted by the league committee (Chad Tachell & golf shop staff)
- Players will compete weekly for prize monies. High point totals in each division win.
- Players will also be competing for season-long payouts. The League is 10 weeks long. The best six rounds from each competitor will be calculated to determine season awards by division.
- Optional cash side games such as closest to the hole, skins or deuces will be available for golfers who check-in after 4pm.

Points awarded as follows: Double bogey 0 Bogey - 1 Par - 2 Birdie - 4 Eagle - 6 Double eagle - 8

Payouts

Winnings will be paid out weekly and at the end of each season. All monies will be credited to account at The Blue Heron. Accounts can be used for all purchases at The Blue Heron pro shop & restaurant.

Results

- Weekly results will be posted each week on or before the next week's Wednesday Comp. Results will be posted at the Blue Heron or online at www.TachellTimes.com
